## Coed-Y-Mwstwr

*Nestling in a wooded hillside near Bridgend, Coed-Y-Mwstwr is a Victorian gem, an intimate, elegant former MP's family residence that offers far-reaching views out across glorious rolling countryside of the North Devon coast.*

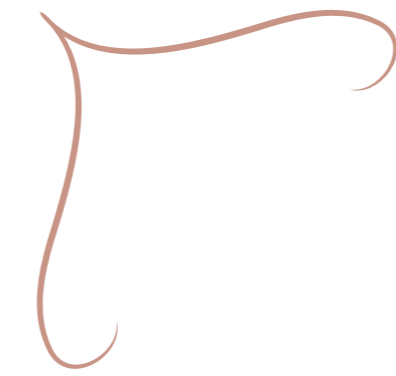

## *Just a Whisper*

*The name Coed-Y-Mwstwr refers to the whispering sound of the woods that surround this gorgeous place. But this venue is no shy wallflower: inside and out, you'll find charming backdrops that offer the perfect foil for any wedding celebration.*

*From period rooms to wild woods, fireside to formal gardens, it offers some magical settings for your big day.*

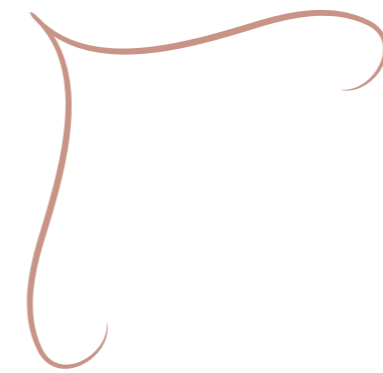

## The Elliot Suite

*This light and gracious space is impossible to forget, with its wonderful domed ceiling, Arts and Crafts style beams and cornicing and glistening, classical chandeliers.*

*It's an enchanting, intimate space for your ceremony and can seat 20 to 50 guests for a wedding breakfast.*

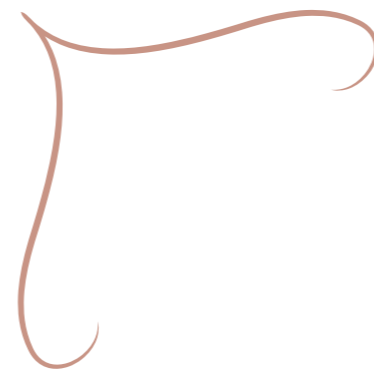

## The Hendre Suite

*For larger weddings, the Hendre Suite is a glamorous, contemporary option. Wide, glazed doors make the most of the views across the luscious landscape, bringing the outside in.*

*And with its own bar, patio and lounge, it's extremely versatile, too. It offers a sumptuous space for 50 to 170 guests.*

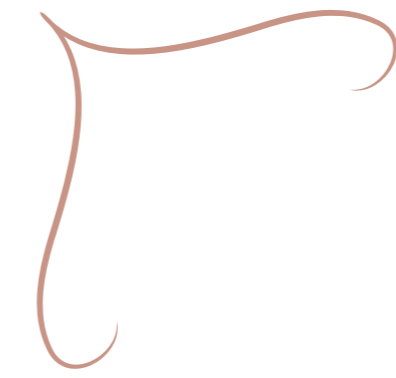

## The Folly

*This is our latest space, for up to 100 guests: a dazzling 360° glasshouse with a retractable roof. If you'd love to get married outside but don't want to gamble with our lively Welsh weather, then this offers the perfect solution.*

*You needn't choose between indoors or outdoors – you can have both.*

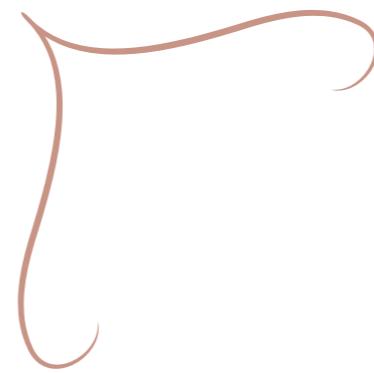

## Food & Drink

*We're lucky to be located somewhere rich in seasonal produce and our kitchen team make the most of it.*

*We're proud to offer delicious plates that match the charm and originality of our venue and look forward to helping you choose the menu for your big day.*

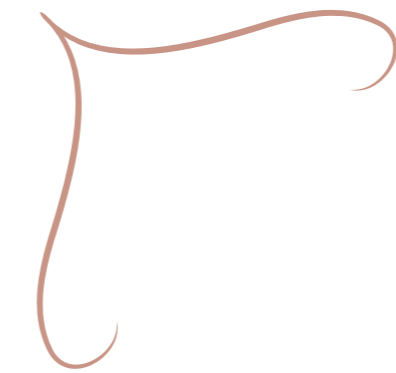

## *After Dark*

*The Coed-Y-Mwstwr loses none of its charm as the sun goes down. Whether your idea of a good party is a gorgeous, intimate supper with those sharing your special day, or dancing the night away under the stars, we'll help you celebrate, whatever your style.*

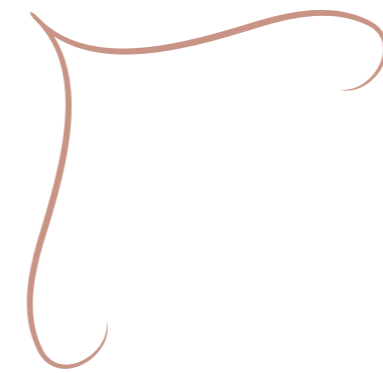

## Sweet Dreams

*The time before and after your wedding is precious – it's all part of the memory of your big day. So, our rooms are as comfy and elegant as you'd expect.*

*From getting ready on the day to waking up the morning after, our individually designed rooms and suites each have lovely quirks and qualities you'll never forget.*

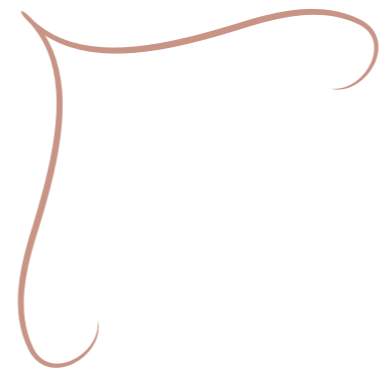

## Your Wedding Team

***We adore weddings: that's why we do them professionally.***

*Between us, we have years of experience, an excellent 'little black book' of contacts to make your creative ideas a reality, and an enviable track record for planning and detail. We'd love to help you with your big day.*
